Have you previously held a Graduate Assistantship at UNC Charlotte? Yes No

If yes when and in what department? _____

List the semester(s) for which you wish to be considered for an assistantship.

I understand that acceptance of a graduate assistantship for the next academic year completes an agreement which both the student and The Graduate School expect to honor. If the student accepts the offer before April 15 and subsequently desires to withdraw, the student may submit in writing a resignation of the appointment any time through April 15. However, an acceptance given or left in force after April 15 commits the student not to accept another offer without first obtaining a written release from the institution to which a commitment has been made. Similarly, an offer by an institution after April 15 is conditional on presentation by the student of the written release from any previously accepted offer.

I also understand that I will become eligible for an assistantship only upon the submission of proper credentials which indicate that I am admissible to full standing in a degree program and that continuing eligibility will be subject to the University-wide criteria for continued enrollment.

I also understand that I must enroll for a minimum of six graduate credit hours (or equivalent thesis/dissertation research) during each semester.

I hereby certify that the information submitted in this application for a graduate assistantship is true and correct.
